1st Quarter 2017 Volunteer Fire Department State Distribution - April 2017

FDID Amount County Fire Department Settlement Date

* The prior quarter's VFD eligible list that was received, Wharnccliffe VFD was listed as closed; therefore, was not included in the original distribution. However, Wharnccliffe VFD should have been included because they were no longer closed at that time. This change caused each VFD distribution that was originally calculated to be overstated. All VFDs that were sent before the notification that Wharncriff was no longer closed, were overstated by \$31.97, except for part-paid VFDs. Part-paid VFDs that were affected were overstated as shown in the chart below and were different based on the funding ratio of volunteers. For all VFDs that were sent monies before the new calculation last quarter, a reduction in the this quarter will take place according to the overstatement.
