The STO Purchasing Division will consider any file that cannot be immediately accessed and viewed at the time of the bid opening (such as, encrypted files, password protected files, or incompatible files) to be blank or incomplete as context requires, and are therefore unacceptable. A Vendor will not be permitted to unencrypt files, remove password protections, or resubmit documents after bid opening if those documents are required with the bid. The STO Purchasing Division will disclose any document labeled "confidential", "proprietary", "trade secret", "private", or labeled with any other claim against public disclosure of the documents, to include any "trade secrets" as defined by W.Va. Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

22. INTERESTED PARTY DISCLOSURE: West Virginia § 6D-1-2 requires that the vendor submit to the Purchasing Division a disclosure of interested parties to the contract for all contracts with an actual or estimated value of at least \$1 Million. That disclosure must occur on the form prescribed and approved by the WV Ethics Commission prior to contract award. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above. A copy of that form is available from the Agency Buyer designated in Section 4 above.

23. WITH THE BID REQUIREMENTS: In instances where these specifications require documentation or other information with the bid, and a vendor fails to provide it with the bid, the STO Director of Purchasing reserves the right to request those items after bid opening and prior to contract award. This does not apply to instances where state law mandates receipt with the bid.

Any change to existing contracts that adds work or changes contract cost, and were not included in the original contract, must be approved by the STO Purchasing Division and/or Agency's Counsel as to form prior to the implementation of the change or commencement of work affected by the change. No Change shall be implemented by the Vendor until such time as the Vendor receives an approved written change order from the STO Purchasing Division.
24. **WAIVER:** The failure of either party to insist upon a strict performance of any of the terms or provision of this Contract, or to exercise any option, right, or remedy herein contained, shall not be construed as a waiver or a relinquishment for the future of such term, provision, option, right, or remedy, but the same shall continue in full force and effect. Any waiver must be expressly stated in writing and signed by the waiving party.
25. **SUBSEQUENT FORMS:** The terms and conditions contained in this Contract shall supersede any and all subsequent terms and conditions which may appear on any form documents submitted by the Vendor to the Agency such as price lists, order forms, invoices, sales agreements, or maintenance agreements, and includes internet websites or other electronic documents. 27. **WARRANTY:** The Vendor expressly warrants that the goods and/or services covered by this Contract will: (a) conform to the specifications, drawings, samples, or other description furnished or specified by the Agency; (b) be merchantable and fit for the purpose intended; and (c) be free from defect in material and workmanship.
28. **STATE EMPLOYEES:** State employees are not permitted to utilize this Contract for personal use and the Vendor is prohibited from permitting or facilitating the same.
29. **BANKRUPTCY:** In the event the Vendor files for bankruptcy protection, the State Treasurer's Office may deem this Contract null and void, and terminate this Contract without notice.
30. **PRIVACY, SECURITY, AND CONFIDENTIALITY:** The Vendor agrees that it will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential

information gained from the Agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the Agency's policies, procedures, and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/default.html>.

As public documents, they will be disclosed to the public following the bid/proposal opening or award of the contract, as required by the competitive bidding laws of West Virginia and the Freedom of Information Act found in West Virginia Code §§ 29B-1-1 et seq.

DO NOT SUBMIT MATERIAL YOU CONSIDER TO BE CONFIDENTIAL, A TRADE SECRET, OR OTHERWISE NOT SUBJECT TO PUBLIC DISCLOSURE.

Submission of any bid, proposal, or other document to the STO Purchasing Division constitutes your explicit consent to the subsequent public disclosure of the bid, proposal or document. The STO Purchasing Division will disclose any document labeled "confidential", "proprietary", "trade secret", "private", or labeled with any other claim against public disclosure of the documents, to include any "trade secrets" as defined by W. Va. Code § 47-22-1 et seq. All submissions are subject to public disclosure without notice.

- 32. LICENSING:** Vendor must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agency or political subdivision. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Upon request, the Vendor must provide all necessary releases to obtain information to enable the STO Purchasing Division to verify that the Vendor is licensed and in good standing with the above entities.

SUBCONTRACTOR COMPLIANCE: Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to be licensed, in good standing, and up-to-date on all state and local obligations as described in this section. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Notification under this provision must occur prior to the performance of any work under the contract by the subcontractor.

- 33. ANTITRUST:** In submitting a bid to, signing a contract with, or accepting an Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency renders the initial payment to Vendor.

- 34. VENDOR CERTIFICATIONS:** By signing its bid or entering into this Contract, Vendor certifies (1) that its bid or offer was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid or offer for the same material, supplies, equipment or services; (2) that its bid or offer is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this Solicitation in its entirety; understands the requirements, terms and conditions, and other information contained herein.

Vendor's signature on its bid or offer also affirms that neither it nor its representatives have any interest, nor shall acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

- 35. VENDOR RELATIONSHIP:** The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

- 36. INDEMNIFICATION:** The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

- 37. PURCHASING AFFIDAVIT:** Vendors are required to sign, notarize, and submit the Purchasing Affidavit affirming under oath that it is not in default on any monetary obligation owed to the State

or a political subdivision of the State. The affidavit must be submitted prior to award, but should be submitted with the Vendor's bid. The STO has adopted the use of this Affidavit while the referenced W.Va. Code citation is not applicable to the STO. A copy of the Purchasing Affidavit is included herewith.

- 38. ADDITIONAL AGENCY AND LOCAL GOVERNMENT USE:** This Contract may be utilized by and extends to other agencies, spending units, and political subdivisions of the State of West Virginia; county, municipal, and other local government bodies; and school districts ("Other Government Entities"), provided that both the Other Government Entity and the Vendor agree. Any extension of this Contract to the aforementioned Other Government Entities must be on the same prices, terms, and conditions as those offered and agreed to in this Contract, provided that such extension is in compliance with the applicable laws, rules, and ordinances of the Other Government Entity. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.
- 39. CONFLICT OF INTEREST:** Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.
- 40. REPORTS:** Vendor shall provide the Agency with the following reports identified by a checked box below:
- ☒ Such reports as the Agency/STO may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures, etc.
 - ☐ Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by the agency. Unless otherwise provided for upon Contract award, quarterly reports should be delivered to the STO Purchasing Division via email at purchasing@wvsto.com.
- 41. BACKGROUND CHECK:** In accordance with W.Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision.

The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check. Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

42. JOINT PROPOSALS AND SUBCONTRACTING: Joint Proposals are not permitted. Subcontracting is permitted subject to STO authorization. The purchase order/contract shall be awarded to the Vendor submitting the proposal. The Vendor awarded the purchase order/contract shall be the sole point of contact with regard to the purchase order and shall be solely responsible for all matters provided pursuant to the purchase order/contract, including without limitation, any tangible or intangible items provided by a subcontractor or other party.

43. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the (WV Dept. of Administration) Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

44. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:

In accordance with W.Va. Code § 5-19-1 et seq., and W.Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is

unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a “substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

- 45. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE:** W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$100,000, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission.
- “Interested parties” means: (1) A business entity performing work or service pursuant to, or in furtherance of, the applicable contract, including specifically subcontractors; (2) the person(s) who have an ownership interest equal to or greater than 25% in the business entity performing work or service pursuant to, or in furtherance of, the applicable contract; and (3) the person or business entity, if any, that served as a compensated broker or intermediary to actively facilitate the applicable contract or negotiated the terms of the applicable contract with the state agency: Provided, That subdivision (2) shall be inapplicable if a business entity is a publicly traded company: Provided, however, That subdivision (3) shall not include persons or business entities performing legal services related to the negotiation or drafting of the applicable contract. The Agency shall submit a copy of the disclosure to the Ethics Commission within 15 days after receiving the supplemental disclosure of interested parties

SPECIFICATIONS

- 1. PURPOSE AND SCOPE:** The West Virginia State Treasurer’s Office (“STO”) is soliciting bids on behalf of the West Virginia Board of Treasury Investments (“BTI”) to establish a contract for Professional Auditing Services from a qualified Certified Public Accounting Firm to provide an independent audit of the BTI’s financial statements, perform an Agreed-Upon Procedures Audit as specified herein, and provide a review of the BTI’s Comprehensive Annual Financial Report to ensure it conforms with GFOA certification requirements.

The BTI is charged with managing the individual investment pools and accounts of the Consolidated Fund under the authority of West Virginia State Code §12-6C-1 et. seq., also known as the West Virginia Treasury Investments Act. The West Virginia Legislature established the BTI in 2005 as a public corporation of the State of West Virginia to make short-term operating funds of the state more accessible to state government and to allow the West Virginia Investment Management Board (the “IMB”), which had managed the Consolidated Fund, to focus on the state’s long-term trust investments. The Consolidated Fund is the statutory title of the fund that collectively refers to the investment pools and accounts the BTI manages, which consists of funds of the state, political subdivisions and related entities.

The Consolidated Fund provides for the investment of moneys not currently needed to fund state governmental operations, as well as providing the opportunity for local governments to participate in large investment pools, and for those funds statutorily required to be invested in the Consolidated Fund. The Consolidated Fund consists of three external investment pools (West Virginia Money Market, West Virginia Government Money Market, and West Virginia Short Term Bond), and six individual investment accounts (West Virginia Bank, State Loan, Reserve, Municipal Bond Commission, School Fund, and Economic Development Authority – American Woodmark). The BTI contracts with Investment Managers to manage the three external investment pools within the Investment Policy guidelines. Participant and fund accounting and reporting are provided by the STO. The BTI operates on a fiscal year that begins July 1 and ends June 30.

The management and control of the Consolidated Fund is vested in the five-member Board, consisting of the State Treasurer, State Governor, and State Auditor, who serve as ex officio members, and two members appointed by the Governor, subject to the advice and consent of the State Senate. The State Treasurer is the Chairman. Of the two members appointed by the Governor, one shall be a certified public accountant and one shall be an attorney, and both shall have experience in finance, investing, and management.

The STO provides direct administrative and management services to the BTI. The BTI does not employ a staff and reimburses the STO for all personnel expenses of STO employees assigned to administer and manage the BTI. The STO also provides various supplementary administrative services.

Descriptions of the investment pools are below:

West Virginia Money Market Pool is a Standard & Poor's AAAM rated money market portfolio created to invest the majority of the state and local government operating funds. The objective of the portfolio is to maintain sufficient liquidity to meet the needs of the participants while striving to earn a small return above inflation. The risk factor is low and managed through numerous maturity restrictions, diversification, guidelines, and credit limits. Contributions and withdrawals are allowed daily and income is distributed on a daily basis. The pool is co-managed by UBS Global Asset Management and Federated Hermes.

West Virginia Government Money Market is a Standard & Poor's AAAM rated money market portfolio created to invest moneys in U.S. Treasury securities and U.S. Government Agency obligations. The objective of the portfolio is to maintain sufficient liquidity to meet the needs of the participants while striving to earn a small return above inflation. The risk factor is low and managed through maturity restrictions. Contributions and withdrawals are allowed daily and income is distributed on a daily basis. The pool is managed by UBS Global Asset Management.

West Virginia Short Term Bond Pool is a bond mutual fund which was created to invest moneys of participants which have a perceived longer term investment horizon. The goal of the portfolio is to earn incremental returns over the West Virginia Money Market Pool with an objective of capital growth rather than current income. The portfolio is restricted to monthly contributions and withdrawals and calculates a per-unit price each month. The risk factor on this portfolio is higher than the West Virginia Money Market Pool. The pool is managed by Sterling Capital Management.

Descriptions of the individual investment accounts are below:

State Loan Pool is composed of loans made by the State. The State is the sole participant in this pool. Currently, there are two active loan programs in the State Loan Pool: a revolving loan made to the West Virginia Economic Development Authority (EDA) and a non-recourse Revolving Broadband Loan Program to the EDA. Under the revolving loan program, the BTI must make up to \$200 million available to the EDA for business and industrial development loans subject to the BTI having sufficient liquidity to fund loan draws. The revolving loan is repaid by the EDA from collections on loans made by them under the program. As of September 30, 2021, the revolving loan program had an outstanding balance of \$118,183,738.54.

The non-recourse Revolving Broadband Loan Program was established to provide loan guarantees for borrowings related to projects for the expansion of broadband services to unserved and underserved areas of West Virginia. Under the program, the BTI, subject to a liquidity determination and cash availability, shall make available to the EDA from the Consolidated fund up to \$80 million in total and \$20 million per company, per calendar year. The non-recourse revolving loan is payable by the EDA solely from moneys received in respect to the insured debt instruments.

Bank Pool is composed of certificates of deposit purchased by the state through the West Virginia Certificate of Deposit Program. The program purchases CDs from state banks and depositories to make state investment funds available for consumer and business loans within the state.

Reserve Pool is composed of an interest-bearing depository account with United Bank. The pool was created to provide an added layer of security for the West Virginia Money Market and West Virginia Government Money Market Pools. The objective of this account is to provide support for the West Virginia Money Market and West Virginia Government Money Market Pools to ensure their unit net position does not fall below \$0.9985. The State is the sole participant in this account. Other funds are transferred to this pool as management deems necessary.

Participant Directed Accounts – The BTI also maintains accounts for individual State agencies with specific investment needs. These accounts are collectively referred to as Participant Directed Accounts, and include the following: Municipal Bond Commission (“MBC”), School Fund, and Economic Development Authority – American Woodmark (“EDA – AW”). Each agency is the sole owner of its account and is responsible for providing the BTI with investment guidelines that are consistent with the legal restrictions applicable to the assets in the account. The BTI manages these accounts in accordance with the accounts’ investment guidelines and directions from the account owners.

As of September 30, 2021, the net asset value of all funds entrusted to the BTI was approximately \$7.9 billion, broken down as follows (rounded to thousands):

WV Money Market Pool	\$6,600,103
WV Government Money Market Pool	\$ 230,320
WV Short Term Bond Pool	\$ 821,200
WV Bank Pool	\$ 60,271
Loan Pool	\$ 118,348
Reserve Pool	\$ 19,949
Municipal Bond Commission	\$ 71,536
School Fund	\$ 1,000
WV EDA – AW	\$ 1,620

Investment transactions for the Consolidated Fund are primarily executed by external investment managers. The external managers consist of UBS Global Asset Management, Federated Hermes, and Sterling Capital Management. These firms are responsible for the day to day investment of funds in accordance with the Investment Policy guidelines established by the Board. Each investment manager is evaluated using monthly performance reports and annual due diligence.

Segal Marco Advisors provide investment consulting services to the BTI. These services including providing guidance in selecting and evaluating investment advisors, establishing

benchmarks, developing investment strategies, and creating performance reports. West Virginia State Code §12-6C-9 and §12-6C-15 require investment consulting services regarding recommendations for securities that become non-compliant and the annual audit of performance reports.

The BTI is responsible for investment accounting at the pool level. Investment transactions are entered into an in-house portfolio accounting system ("PAM for Investments" from State Street Global Exchange). Source documents include manager trade tickets, security descriptions and daily rates obtained from Bloomberg, advisor reports, custodial reports, advisor and custodian invoices. Settlement activity is reconciled per the in-house portfolio accounting system to the custodian on a daily basis. The portfolio accounting system is also used for financial accounting and reporting for the investment pools. The BTI performs daily and monthly accounting for investment activity. Daily and monthly net income and net asset values are also reported to the Participant Accounting Division of the State Treasurer's Office.

The Participant Accounting Division of the STO is responsible for maintaining the detail records for participant accounts in the Consolidated Fund. Participant Accounting's role in the investment process includes:

- Authorizing the opening and closing of participant accounts in the Consolidated Fund;
- Ensuring participant contributions and withdrawals are valid and authorized;
- Providing daily summary contributions and withdrawals to the BTI;
- Reconciling detail participant account records to the statewide accounting system;
- Preparing and entering monthly income distributions in the participant accounting system and statewide accounting system based on reports from the BTI; and
- Providing monthly statements to participants in the pooled funds within the Consolidated Fund.

The BTI utilizes wvOASIS, the statewide financial accounting system, to record daily summary investment receipt and disbursement transaction data for the investment pools and accounts. Income distribution and reinvestment is recorded by the STO on a monthly basis, based on reports from the BTI. The BTI maintains four investment funds within wvOASIS covering the WV Money Market Pool (9151), WV Government Money Market Pool (9153), WV Short Term Bond Pool (9154) and Participant Directed Accounts (9155). The wvOASIS funds are reconciled to the BTI's records on a monthly basis.

Participant Accounting currently uses the Broadridge Financial Solutions, Inc. Q2 Investment Accounting System for participant recordkeeping. In addition, participant activity is also recorded in wvOASIS, the statewide accounting system. Participant Accounting maintains more than 1,300 participant accounts.

The BTI maintains a proprietary fund which is reported separately from the fiduciary funds (investment pools) activity. The proprietary fund is an internal service fund, or operating fund, used to account for activities that provide investment and administrative services on behalf of the State and other participants in the Consolidated Fund. The BTI's annual budget for the

AGENCY REQUEST FOR QUOTATION

Professional Auditing Services
Solicitation No. ARFQ BTI2200000001

proprietary fund is adopted by its Board and approved by the West Virginia State Legislature. After legislative approval, the West Virginia Department of Administration maintains control over the spending at the activity level and by the use of quarterly allotments.

Operating revenues of the BTI's proprietary fund are derived from fees charged to the investment pools for administrative services provided by the BTI and charges for direct expenses. Administrative service expenses include items such as staff salaries and benefits, fiduciary bond fees, software licenses, and office supplies and equipment. Direct expenses are those expenses directly attributable to the pools and accounts for investment management, investment consulting and investment custodian expenses. The fees are transferred to the proprietary fund and all expenses are paid from that fund. Revenues and expenses are recorded when earned and incurred in accordance with the economic resources measurement focus and the accrual basis of accounting.

The total appropriated budget for the proprietary fund for FY 2022 is \$4.985 million. Of that total, \$1.485 million is appropriated for administrative services and \$3.50 million is appropriated for investment fees and expenses.

The internal auditor of the BTI will perform interim and year-end audit tests established in the audit plan. Additional testing may be performed on an as-needed and time-permitted basis.

BTI accounting staff and responsible management personnel will be available during the audit to assist the auditor by providing information, documentation and explanations.
